

5. Write a C program to print a '*' star pyramid

```
#include<stdio.h>
```

```
int main()
```

```
{
```

```
    int x, y, z=5;
```

```
    for (x=1; x<=z; x++)
```

```
    {
```

```
        for(y=1; y<=z-x; y++)
```

```
        {
```

```
            printf(" ");
```

```
        }
```

```
        for(y=1; y<=x; y++)
```

```
    {  
        printf("* ");  
    }  
    printf("\n");  
}  
  
return 0;  
}
```
